Encouraging Churches · Strengthening Leaders · Challenging Believers

**“IT IS TIME TO DO THE THINGS THAT HAVE BEEN LEFT UNDONE, TO SAY THE THINGS THAT HAVE BEEN LEFT UNSAID, AND TO FINISH THE THINGS THAT HAVE BEEN LEFT UNFINISHED.”**

**SHANE PHILPOTT**

**REV. SHANE PHILPOTT** is a passionate minister of God’s Word, and his drive and enthusiasm motivate those who are in his meetings. His energy, humor, and spirit of excellence create a distinct voice that is fresh and significant for the hour.

He is the founding pastor of Christian Fellowship Church in Mason City, Iowa, which he and his wife, Lisa, pioneered in 1993. As an itinerate preacher, Shane is a friend to pastors and churches throughout the nation, and has dedicated his life to helping people put into action the tools, strategies, and attitudes to produce results in their lives and ministries.

One of Shane’s highest priorities is to strengthen ministers, churches, and believers alike. He believes in the power of extraordinary vision, the rewards of great faith, and that both are extremely contagious. Shane Philpott is addicted to ministry and it shows in everything he does. After twenty-five years he has not slowed down in any aspect and has only increased in his zeal!
